

Recurring Payment Authorization Form

This form authorizes Rain City Capital to automatically deduct your monthly loan payment from the financial institution of your choice.

Benefits

Recurring payments save you time and postage, and allows your payment to be on time, even if you're out of town! It's secure, efficient, convenient, and can be stopped at any time.

How it Works

You'll authorize regularly scheduled charges from your checking or savings account at your deposit financial institution. Each billing period, your total payment amount due will be deducted from your account and applied to your monthly loan payment. Please be sure to review your billing statement before the date you payment is drafted. The charge will appear on your deposit institution statement as "ACH Debit." And that's it!

I, _____ authorize Rain City Capital to charge the account indicated below for the total amount due on the 3rd 10th 25th (of the month prior) of each month for payment of my monthly billing statement.

I acknowledge that the origination of ACH transactions to my account must comply with the provisions of US law. I certify that I am an authorized user of the above account and will not dispute these scheduled transactions with my bank or financial institution; so long as the transactions correspond to the terms indicated in this authorization form.
